This month has been filled with joyful learning and meaningful experiences. Together, we strengthened bonds, built confidence, and embraced values of compassion, teamwork, and growth. I am truly proud of each one of you, may you continue to learn, grow, and shine brightly in every field ahead.

~ Dr.Sadiq Pasha, Principal

Like the bamboo that quietly strengthens its roots for years before rising 90 feet tall in a few weeks, our school builds a strong foundation for every student. The values, skills, and knowledge you gain here are your roots, steady and deep. With dedication, confidence, and perseverance, you are ready to grow higher and achieve limitless success.

~ Anand Calson, Vice Principal

The Leadership Lines

"Your life does not get better by chance, it gets better by change."

– Jim Rohn

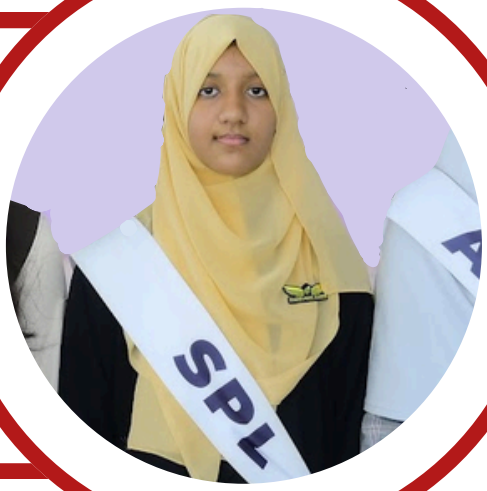

As we close another month, we reflect on our commitment to the students' growth. At our kindergarten, we nurture curiosity, creativity, and confidence through hands-on, play based learning. Beyond academics, we focus on social and emotional growth. We're proud to be a place where a students' potential is discovered and celebrated every day.

~ K. Faiza Banu, Co-ordinator, WPPS

Leadership is not about being in charge, but about helping others, setting a good example, and working together to create a positive and respectful school environment. I am extremely grateful for the responsibility that has been bestowed upon me and I will do my utmost to uphold it.

~ Huda Anees (SPL)

It is an honour to serve on the student council. At Wisdom Park International School, we grow in academics and as compassionate individuals. With unity, discipline, and dedication, we can uphold our values, aim higher, and confidently bring pride to our school.

“The Final Spell”

The much-awaited **Speller Champs** at Wisdom Park International School has reached an exciting stage. After the completion of Phase 1, our talented students were shortlisted and had dedicated themselves to mastering **around 100 words** in preparation for the challenge ahead.

In a spell bee, participants are challenged to spell words aloud, often unusual or difficult ones, testing not only memory but also presence of mind.

Our students rose to this challenge, memorizing demanding words like extemporaneous and omniscient. Their dedication bore fruit as they successfully cleared the second round, proving that hard work and persistence lead to success.

Now, they are ready for the Grand Finale. We wish each of our finalists the **best of luck,** may their confidence guide them, their efforts shine through, and may their journey continue to inspire many.

"Touching Two Hearts at Once"

Student's visit to the hospital with the Vice Principal was more than a trip, it was a lesson in kindness. Students from Grade 9 spent time with patients, offered fresh fruits and warm conversations. It was a small gesture that was carried with great enthusiasm, reminding everyone that true strength lies in compassion and community. We're proud of our students for representing our school with such empathy and grace.

“Eyes of the Soul”

As part of the Wisdom Social Service(WSS) initiative, the students' representatives from various grades and the school council visited the I.E.L.C School for the Blind, Bargur. The dedicated students cleaned the campus and spread joy through heartfelt interactions. They were inspired by the unique learning systems for the visually challenged. The highlight of the day were surely their interactions with the students of I.EL.C.

"Vande Mataram: A Tribute to the Nation"

Our Independence Day celebration went beyond a ceremony. It was a living lesson that connected students to the courage and sacrifice of our nation's heroes. The event wove together our school community, reminding us that true freedom means growing together with unity and respect. The students' vibrant patriotism was beautifully expressed through their creative poster-making, patriotic drawings, essay writing, and tricolor art, which showcased their love and hope for the nation.

The cultural performances added a spirit of pride and joy, filling the day with music, dance, and heartfelt expressions. The day ended with renewed energy, reminding us that independence is not just a gift, but a duty we all must cherish and uphold.
