WISDOM IN WORDS

“Do what is right, not what is easy nor what is popular.”

— Roy T. Bennett,

We, at WPIS provide an opportunity for the overall growth of our students in both curricular and co-curricular activities and this is an amazing example. On behalf of the Management, I assure all kinds of support to provide a friendly environment in nurturing the talents of our young writers. I congratulate our young and budding writers of our school on bringing out this newsletter.

Chakwa Mohammed Pervaze
General Secretary

We, at WPIS always try to maintain the highest quality in academic standards and provide the most conducive environment for our students' holistic growth and development. We also strive to instill the core values of **respect, integrity, compassion and excellence** in our students. Our dedicated and highly qualified staff stand as exemplary role models for our students thereby keeping the ethos of our school shining bright.

Dr. Sadiq Pasha
Principal, M.Sc, Ph.D (USA)

At WPIS, we make a determined effort to provide all of our students with **ladders of opportunities**. These opportunities help with their prodigious abilities, hone their aptitudes and bring out their talents. We create a platform for all students to engage in learning beyond their books, we are incredibly pleased with the students that have come forth and have made a conscious effort to learn and, involve themselves in these chances.

Anand Calson
Vice Principal, D.T.Ed , M.A, M.Phil, B.Ed, Spl.Ed (ID)

WISDOM IN WORDS

"Tell me and I forget. Teach me and I remember. Involve me and I learn."

– Benjamin Franklin

Greetings, students, parents, and staff!
As we begin this new month, let's stay positive and focused. Approach studies with enthusiasm, face challenges with determination, and pursue goals with confidence. The journey ahead holds great promise, and you have what it takes to succeed. Together, we'll achieve great things and create lasting memories.

Faiza Thaseen. R
Academic Co-ordinator

Dear Little Wisdomites,
It fills my heart with immense pride and joy to see your energetic participation, your eagerness to learn, and your growing discipline as you blossom into skilled and confident learners. Keep dreaming big, keep doing your best, and remember, the journey to greatness begins with a single, joyful step.

Nazma Sultana
Primary Co-ordinator

Dear Parents and Esteemed Readers,
At WPIS, we are reimagining education for our youngest learners. We are fostering an environment where curiosity thrives, creativity flourishes, and confidence is built through hands-on learning. By blending exploration with education, we ensure every child develops not just skills, but a lifelong love for learning.

Ayesha Nasreen
Pre Primary Co-ordinator

BUZZWORD

BONANZA

The students of Wisdom Park participated in a vibrant **Wisdom Speller Champ competition**, encouraging students to test and expand their vocabulary.

The event sparked enthusiasm, sharpened spelling skills and an improved memory. With healthy competition, this event was both educational and inspiring for all who participated.

VAN MAHOTSAVA

Many of our students actively took part in the celebration, contributed by planting many saplings and gave this programme a marvellous start. The event was graced by the presence of **Forest Officer, Mr. Babu (Ambur)**, who was warmly welcomed by our Principal and Vice Principal. At the end of the day, an oath was taken by our school for the sustainability, nurturing and protecting our mother Earth.

NUMBER FLIP

FIESTA

Our school organised The Number Flip Fiesta for IK3 . It enabled them to boost number recognition, enhance sequencing skills, build reading confidence, overflowing with fun, cheer, and joyful learning!

They flipped number cards, read them aloud and exhibited with confidence. Their enthusiasm and progress ended with success.

EQUATION EXCHANGE

Our school is immensely proud to conduct **Mathlete for 3 years** in a row. The students had participated in the Phase-1 of the Mathlete with much vigour and passion. They have yet again displayed their brilliant mathematical abilities. We hope that the students present the other phases with even higher spirits.

PARENT ORIENTATION

“The Art of Parenting” – an encouraging session by our Principal and Vice Principal, inspired parents to nurture with love and wisdom. Grade-wise curriculum insights shared by our Coordinators, giving parents a clear roadmap of the year’s academic journey.

This collaboration helped in the active participation of all the parents in the development of their children. This promoted partnership between parents and the teachers. The **first newsletter of the month of June by GII** was inaugurated by our **General secretary , Chakwa Mohammed Pervaze.**

DOCTOR'S DAY

A heartfelt tribute to our health heroes. On 1st July 2025, we honoured all our heroes **Dr. Nikhath Anjum (Obstetrics & Gynaecology)**, **Dr. Ramvivek V M – Orthopaedic Surgeon**, **Dr. Mubashira – Ultrasound Specialist**, for their contribution and their dedication towards our health. Their compassion and tireless efforts have inspired many.

On this day, our school conveyed their deepest appreciation to all our doctors, acknowledged their unwavering dedication and taught our students the importance of these selfless heroes.

“The world is healthier and happier because of your service.”

WISDOM CLEANLINESS DRIVE

The **boys of Grade 11**, were recognized as **Wisdom Volunteers**, and were given the Volunteer badges, designed by themselves. As part of this initiative, the students showed proactive involvement in the **Ambur Forest range clean-up programme**, which was dedicated to eliminating plastics from forest areas.

SPORTS DAY HEATS

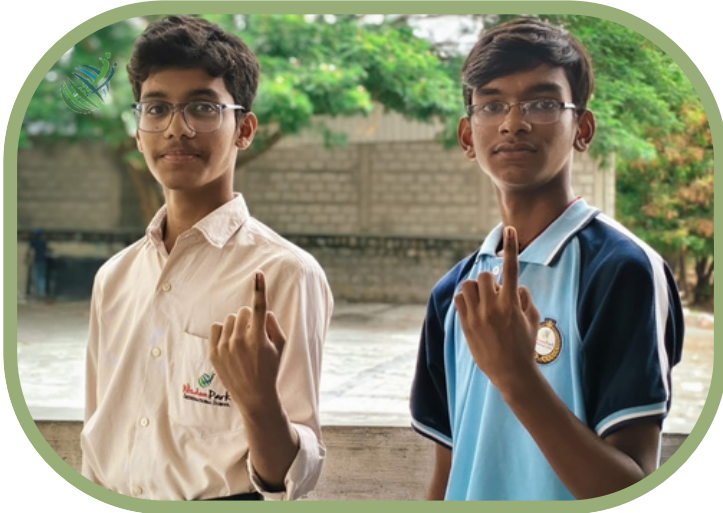

The try-outs for the sports day was held on the school grounds with high spirits. The students participated with much enthusiasm and excitement. A series of sports such as running race, kho kho, and football was held. To all the competitors, every challenge is a chance for you to rise above.

Best of luck!

ELECTION

The election season at Wisdom Park International School is one of the longest standing traditions. For over 10 years, students themselves have been electing their School Pupil Leader. The students of grade 11 and 9 were nominated as candidates for SPL and ASPL respectively. These students went around the school campaigning to the students and the staff. The election season provides insight on how real-life elections work and it also promotes healthy competition between students. This also helps decision making skills in the young minds of students. The entire school is tense with anticipation.

May the best candidate win!

PROJECT – BASED LEARNING

The students of WPIS enthusiastically participated in a wide range of Project based assessments. This nurtured critical thinking and environmental consciousness. This involved activities like gardening, paper recycling and creating a school documentary. Students also explored their passions through skills and sports sessions. This included Wisdom Studio productions, creative book writing, coding and sports.
