

WISDOM VISTAS

for the Month of **June 2025**
with Passion, Purpose & Preparation!

Dear Parents, Staff & Students,

As we step into a new academic year, Wisdom Park International School is proud to share the incredible momentum with which we are preparing to welcome our students for the 2025 - 26 academic session.

From teacher empowerment to infrastructure upgrades, every corner of our campus is buzzing with energy, innovation, commitment and determination to quality education.

The Leadership Lines

It is heartening to see our students take charge and create this beautiful edition of the school newsletter. Their **creativity**, **confidence** and **curiosity** reflect the spirit of our school. I congratulate them for this wonderful initiative and encourage them to keep exploring, expressing and excelling.

~ Dr. Sadiq Pasha, Principal
M.Sc, Ph.D (USA)

We, at WPIS, train students to be **agile thinkers, adaptable** and equipped to navigate complexities with confidence. We empower students through **voice, choice** and **ownership**, encouraging them to shape their learning journey. Our innovative curriculum integrates skills and promotes critical thinking, problem solving and emotional

intelligence , preparing students for real world challenges with empathy and courage. And, above all, our strength lies in the passion of our educators and the energy of our students. Together, let's embrace change with purpose and empower our students to be **confident, capable** and **compassionate** leaders of tomorrow.

~ Anand Calson, Vice Principal
D.T.Ed , M.A, M.Phil, B,Ed, Spl.Ed (ID)

50+ Hours of Teachers Training Surpassing CBSE Standards

This summer, our teachers undertook an intensive 8-day professional development program, totaling 60+ hours — more than the 50 hours recommended by CBSE.

DID YOU KNOW?

WPIS is among the few schools in the region that invests this extensively in teacher empowerment before every academic year.

FOCUS

- Personalized instructional approaches
- Understanding and addressing individual learning needs
- Designing experiential learning environments

Experiential learning increase concept retention by up to 80%, compared to 30% through traditional learning (source: NEP 2020 research insights)

Each activity is designed to let students experiment, tinker, fail, and discover – the true spirit of learning.

COURT CHRONICLES

Mohammed Arham of Grade 12 has secured the **runner-up position** in the Open State Level Badminton Tournament (U-19 Singles), with his brilliant athletic abilities. It was held on June 1st, 2025.

Hosted by the 10 Sports Club in Gerugambakkam, Chennai, the event saw students participate with energy and passion. This achievement is more than just an award. It's about his journey, his experience, and the spirit of the game.

WISDOM PARA TEACHER "B.TECH AND BEYOND"

As part of the Wisdom Para Teacher initiative, Grade 12 students attended an insightful session with **Mr. Khalifathullah Khan, Senior Manager at Ericsson Bangalore.** He emphasized that academic success is crucial for a strong foundation, and pursuing a B.Tech degree opens global career opportunities. He also highlighted the importance of skills in **DSA** and **Programming** to boost employability, inspiring students to focus on academics and skill development.

THROUGH THE RAINBOW LENS

READY, SET, GROW!

The first day at Wisdom Park International School was filled with energy and curiosity. Children settled into their new classrooms, explored different play areas, and took part in fun activities like drawing, painting and other exciting experiences. It was a great start as they got to know their teachers, made friends, and enjoyed learning.

BALANCE THAT DOESN'T END WHEN THE CLASS DOES

On International Yoga Day, our students rolled out their mats in the auditorium, settling in with quiet energy and open minds.

As they moved through each stretch and took mindful pauses, they weren't just finding balance in their poses, they were connecting with something deeper inside. It was a beautiful reminder that even in the calm and stillness, we're still growing.

DESIGNING - RIFA TABASSUM

TEMPLATE - RITHIKA

STUDENT EDITORS - LEEZA SARA, ALIZA SHAFEEN

COLLECTION OF DATA - LINA, SAMEEHA, AFRIN FATHIMA

We'd like to start off by giving due thanks to our respected **Principal** for supporting us, our beloved **Vice Principal** for setting the plan in motion and our **Class teacher, Ms. P Deepa** for motivating us. They had provided us much-needed support and encouragement to start this month's newsletter, **Wisdom Vistas**. We'd like to thank the incredible team that had worked hard over the days to deliver a brilliant edition of Wisdom Vistas.

Starting off, the **Data Collection Team** had been working efficiently, supplying us with all the information and pictures taken in the month of June.

The **Student Editors**, also known as the **Writers of Wisdom Vistas** had been working with the Data Collection Team to produce all the writings in the newsletter.

Next, the remarkable skills of our **Designing Team** had brought together all of the data and the writings, producing Wisdom Vistas. And last but definitely not the least, our **Editor-in-Chief** had helped put together a newsletter with fascinating visuals.
